## Our Motto

Knowledge For Future

## Our Vision & Mission

*To create an institution that liberates the pupils natural capability and develops young and creative minds.*

*To create the leaders of tomorrow.*

**Accountability** – We hold ourselves accountable for our own actions, admit when we failed our own standards, and always strive to be our best selves.

**Appreciation** – We show appreciation for one another whenever possible. We appreciate our parents and teacher for everything they do for us and appreciate the kindness of our friends.

**Community-Minded** – Our school is a central hub of our community. We welcome the community to our school to share their skills and knowledge. We also want to contribute our skills and efforts to improve our local community through knowledge exchange.

**Compassion** – We are a school that grows children who care for one another, are concerned about the suffering of others, and want to act to make a better world.

**Cooperation** – We work well together with all of our friends and classmates. We want everyone to learn and succeed, and this requires us to work together, compromise, and share, in order to succeed.

**Courage** – We are a school that boldly faces challenges and support each other through difficult moments in our learning and life.

## Our Vision & Mission

At Leela International, we seek to create a diverse learning community that welcomes students who bring a range of gifts and experiences that represent the diversity of the human spectrum and nationality. Consistent with the spirit of the Right to Education Act (RTE), the Leela International also believes that all children should be given equal opportunity to learn and play together. We believe that as a learning community it is our responsibility to support each of our learners in reaching their own goals, at their own pace. It is clear, therefore, that we must be both realistic and idealistic about the number of students we admit.
